Listed below we have outlined the four basic courses of action with regard to your 401k rollover alternatives. If you're retiring soon or perhaps within the next 10 years; it's essential to comprehend that while a 401k can be a good way to invest for retirement, it will not offer guaranteed income for the remainder of your life. Imagine what it would feel like to run out of money in the middle of retirement.

If reliable income that lasts is important to you, make sure you call (720) 259-6265 now and speak with a Transamerica Financial Professional regarding your IRA rollover choices that can give you...

dependable income throughout your entire retirement. The last thing you want while in your golden years is to be stressed about the stock market and running out of money, so call us now.

Four Main 401k Rollover Options:

Individuals change jobs or retire for a variety of reasons. When you leave work, for whatever reason, you have a decision to make about the money in your retirement plan. Typically, there are 4 options:

1. Leave your 401k with your old employer
2. Cash it out
3. Move it to a new 401k
4. Roll it over to an IRA
